COMPANY OVERVIEW

Ritch Electric Co., Inc. is a Woman-Owned Small Business (WOSB/EDWOSB) specializing in commercial, industrial, and government electrical infrastructure. Established in 1968, we bring nearly six decades of field experience, strong bonding capacity, and an exceptional track record to mission-critical facility upgrades, high-voltage distribution, and emergency backup power systems.

CORE COMPETENCIES

- High-Voltage Distribution:** Overhead and underground line work, splicing, and high-voltage terminations.
- Commercial & Institutional Construction:** Turnkey electrical systems for military bases, medical facilities, and municipal complexes.
- Life-Safety & Security Infrastructure:** Fire alarm systems, mass notification, CCTV, card access, and intrusion detection.
- Lighting & Power Retrofits:** Airfield lighting, perimeter security lighting, and facility-wide LED efficiency upgrades.
- Emergency Generator Systems:** Turnkey installation, testing, and maintenance of standby and emergency power generation.

PAST PERFORMANCE HIGHLIGHTS

LIFETIME FEDERAL PRIME RECORD

\$22,503,608 obligations · 110 awards · 172 transactions

U.S. Department of the Army

\$21.5M+ across 100+ awards. Base-wide electrical construction, high-voltage distribution, and MATOC task orders (Vehicle W911SF13D0008 — \$150M shared multiple-award pool ceiling).

Defense Health Agency — Martin Army Hospital

ICRA- and HEPA-compliant healthcare electrical installations, low-voltage control systems, and standby power integration.

National Park Service

~\$1M in prime obligations. Federal facility electrical retrofits, perimeter security lighting upgrades, and CCTV surveillance networks.

Columbus Water Works & Local Government

High-voltage terminations, motor control center upgrades, and municipal emergency power infrastructure.

CONTRACTING & DELIVERY

- Prime & Subcontract Capability:** Federal prime contractor with an additional ~\$721,200 in reported subcontract value supporting larger construction teams.
- IDIQ / MATOC Task-Order Experience:** Proven performance on task orders under multiple-award construction contracts.
- Purchasing Flexibility:** Government purchase cards accepted for micro-purchase actions.

KEY DIFFERENTIATORS

Proven High-Volume Record

Over \$22.5M in lifetime federal prime obligations across 110 awards and 172 completed transactions.

Dual-State Master Licensing

Licensed electrical contractor in Georgia and Alabama.

Disaster Response Ready

Listed in the Federal Disaster Response Registry for rapid mobilization across GA and AL.

Robust Bonding Capacity

\$2,000,000 single project / \$10,000,000 aggregate bonding capability.
